

“Through faith we enter into friendship with the Lord, through charity this friendship is lived and cultivated”.

We enter into a friendship that needs to be cultivated. Well then I need to “befriend” Christ in more than my Facebook, in my “Lifebook”. Places where I can find Christ: The Eucharist, the Sacraments, in others. Likes of Christ: To give, to listen, to accompany, to pardon, to love.

- Visit Him more often, not only on Sundays.
- Go to cultivate that friendship by visiting Him in confession.
- Visit Him in a homeless shelter or serve in a soup-kitchen.
