

The EUK Mamie-HM Television Foundation presents the clip of "Mary, Mother of Priests," inspired by a simple prayer composed by Saint John Paul II.

With this clip, HM Televisión invites you to pray to Mary, Mother of the one and eternal Priest, for all priests. Just as he accompanied his Son on his mission to the foot of the Cross, he accompanies his children, the priests, from whom he calls the consummation of their lives in the imitation of Jesus Christ.

Let's ask Mary for the priests. They bring us to Jesus in each Eucharist, and their embrace of forgiveness in each confession.
