

The Prayer Oh Sweet Jesus

Oh Sweet Jesus, I desire neither life, nor death, but Your most holy will. You are the One, Oh Lord, that I long for. If it be Your holy will to have me die, receive my soul; and grant that in You and with You, I may receive everlasting rest. If it be Your holy will to have me live longer upon this earth, give me the grace to amend the rest of my life, and with good works to glorify Your Holy Name.
Amen.
